Article 1 - Introduction

1.1 General:

The **IFBB ELITE PRO** Rules for Bodybuilding and Fitness consist of regulations, policies, directives and decisions intended to guide the **IFBB ELITE PRO** and its Members in the administration of all physique sports governed by the **IFBB ELITE PRO**.

1.2 Authority and Amendments:

Constitutionally, the Executive Council has authority to prescribe and amend the Rules. Between annual meetings of the Council, this authority is delegated to the following four officers: President, Executive Assistant to the President, Executive Director and General Secretary. Any decision made by the Council, or its delegated authority, has force and effect only until the next annual general meeting of the International Congress, at which time the decision will either be ratified or rejected. In an emergency situation, where time is of the essence and it is not practical to obtain the majority consent of the Council or its delegated authority, the President shall have power to prescribe or amend a rule.

1.3 Agreement:

Affiliated National, Regional and Continental Federations, their athletes, officials and others, join the **IFBB ELITE PRO** of their own free will and, in so doing, agree to abide by the Constitution and Rules. In becoming a Member of the **IFBB ELITE PRO**, Affiliated Federations and other Members accept that the Constitution and Rules exist for the good of the sports of Bodybuilding and Fitness. Should the Constitution and Rules be contravened by any Member, the **IFBB ELITE PRO** has authority to impose disciplinary measures against that Member.

1.4 Definitions:

The same definitions that are found in the Constitution also apply to the Rules. The Code of Ethics, which forms an integral part of the Constitution, also forms an integral part of the Rules and is attached as Appendix 1.

1.5 Interpretation:

It is recognized that the Rules cannot encompass every possible situation wherein written guidance might be sought in the resolution of an issue. In such cases, the President has sole authority to interpret any matter arising out of the Rules, or any matter not encompassed by the Rules, said interpretation to be final and binding.

1.6 Intent:

It is not intended that the Rules be considered as "cast in stone" but instead, as guidelines. Each and every issue arising out of the Rules must be judged on its own merits with the primary consideration given to that which is in the best interests of the sport of Bodybuilding.

Once the Contract is signed by all parties and the sanction fee, in whole or in part, is received by the **IFBB ELITE PRO**, the fee will not be returned to the Organizer should the Contract, for whatever reason, be subsequently cancelled.

2.5 Failure to Abide:

Once the Contract has been signed by all parties, should the Organizer, for whatever reason, subsequently fail to abide by the Constitution and Rules, or the terms and conditions of the Contract, or the directives of the President, the President may withdraw the sanction and undertake whatever measures are deemed necessary, disciplinary or otherwise, in order to protect the interests of the **IFBB ELITE PRO**.

2.6 Delegation of Authority:

The President may, at his discretion, delegate to a member of the Executive Council, normally the Executive Assistant to the President or the Executive Director, or the area Vice President, the authority to represent the interests of the **IFBB ELITE PRO** in granting an official sanction and signing a Contract for an IFBB Elite Pro Competition.

Article 15 – IFBB Elite Pro Competition Procedures (general concept)

15.1 The procedures of the IFBB Elite Pro Competitions are as follows:

15.1.1 Prejudging: Eliminations Round

When there are more than 15 athletes competing in a category, an elimination round will usually be held for the purpose of reducing the number to 15. **IFBB ELITE PRO** Chief Judge decides if the Elimination Round will be necessary. The judges will select the top 15 by placing an "X" beside their numbers, using Form 1, entitled "Elimination Round (Judges)".

Using Form 2, entitled "Elimination Round (Statisticians)", the statisticians will transcribe

the judge's selections onto this sheet and will then tally the judge's scores to select the top 15 competitors.

If there is a tie between two or more athletes at the 15th place, the tied athletes will be brought back onstage, and will once again be called on stage for the purpose of breaking the tie. Only the top 15 competitors will advance to Round 1.

The details of Elimination Round for each **IFBB ELITE PRO** sports discipline are provided in a Section of rules for this discipline.

15.1.2 Prejudging: Semifinals

Semifinals (Round 1) will immediately follow the Elimination Round. Only the top 15 athletes may compete in Semifinals. Semifinals round(s) may not be held if there are 6 or less competitors in a category. Decision will be made by the Chief Judge and will be announced after the Official Athlete Registration.

Using Form 3, entitled "Judge's Individual Placings (Prejudging)", each judge will award each competitor an individual placing from 1 to 15, ensuring that no two or more competitors receive the same placing. The judges may use Form 4, entitled "Judge's Personal Notes" to record their assessment about each competitor. The scores for the Semifinals will be used to place the top 15 competitors from 1st place to 15th place.

The top 5/6 competitors from the Semifinals will advance to the Finals.

The top 5/6 finalists may be announced after the Prejudging and before the Finals. The details of Semifinals for each **IFBB ELITE PRO** sports discipline are provided in a Section of rules for this discipline.

15.1.3 Finals

Only the top 5/6 athletes from the Semifinals will take part in the Finals. They will start the Finals with zero points. Each judge will award each competitor an individual placing from 1st to 6th, ensuring that no two or more competitors receive the same placing.

The statisticians will transcribe each judge's placings onto Form 5, entitled "Score Sheet (Statisticians)", under the Finals section. At the end of the Finals, the "FINAL SCORE" will be produced. Points from the Prejudging (Round 1 and Round 2) are not taken into consideration in the Finals. Each competitor begins the Finals with "zero points". The competitor with the lowest "FINAL SCORE" is awarded 1st place while the competitor with the highest "FINAL SCORE" is awarded 5th/6th place.

The details of the Finals for each **IFBB ELITE PRO** sports discipline are provided in a Section of rules for this discipline.

Article 16 – Awarding Ceremony
