The athletes join **IFBB ELITE PRO** of their own free will and, in so doing, agree to abide by the Rules. In becoming a Member of **IFBB ELITE PRO**, the athletes accept that the Rules exist for the good of the sports of Bodybuilding and Fitness. Should the Rules be contravened by any Member, **IFBB ELITE PRO** has authority to impose disciplinary measures against that Member.

1.3 Code of Ethics:

The Code of Ethics, which forms an integral part of the Rules, forms an integral part of the Rules and is attached as Appendix 1.

1.4 Interpretation:

It is recognized that the Rules cannot encompass every possible situation wherein written guidance might be sought in the resolution of an issue. In such cases, the President has sole authority to interpret any matter arising out of the Rules, or any matter not encompassed by the Rules, said interpretation to be final and binding.

1.5 Intent:

It is not intended that the Rules be considered as "cast in stone" but instead, as guidelines. Each and every issue arising out of the Rules must be judged on its own merits with the primary consideration given to that which is in the best interests of the sport of Bodybuilding.

Article 2 - Sanctioning of IFBB Elite Pro Competitions

2.1 Requirement for Sanction:

In order to host an IFBB Elite Pro competition, an Organizer must first obtain an official sanction from **IFBB ELITE PRO**. To obtain an official sanction, the Organizer must file a Request for Official Sanction with **IFBB ELITE PRO**. The request must include all the pertinent information about the proposed competition. Official sanctions may only be issued to an Organizer.

2.2 Contract:

Once the Request for Official Sanction is approved by **IFBB ELITE PRO**, a Contract will be forwarded to the Organizer. The Contract will outline the terms and conditions of the official sanction as well as the responsibilities of the Organizer towards the successful hosting of the competition.

2.3 Sanction Fee:

The Organizer will pay a sanction fee to **IFBB ELITE PRO** for the right to host the competition. The amount of the fee will be set by **IFBB ELITE PRO**.

All IFBB Elite Pro Competitions are the exclusive property of **IFBB ELITE PRO**.

The granting of an official sanction and the payment of a sanction fee does not transfer ownership of this property to the Organizer.

2.4 Payment of Sanction Fee:

The sanction fee will be paid according to a fixed schedule that is agreed upon by **IFBB ELITE PRO** and the Organizer. Once the Contract is signed by all parties and payment of the sanction fee is received by **IFBB ELITE PRO**, the fee will not be returned to the Organizer should the Contract, for whatever reason, be subsequently cancelled.

2.5 Failure to Abide:

Once the Contract has been signed by all parties, should the Organizer, for whatever reason, subsequently fails to abide by the Rules or the terms and conditions of the Contract, **IFBB ELITE PRO** may withdraw the sanction and undertake whatever measures are deemed necessary, disciplinary or otherwise, in order to protect the interests of **IFBB ELITE PRO**.

Article 3 - Liability of IFBB ELITE PRO

Article 6 - Television and Video

6.1 Exclusive Rights:

IFBB ELITE PRO has the exclusive right to negotiate any and all contracts for television and/or video rights to an IFBB Elite Pro Competition. Should television and/or video rights become an issue in the hosting of the competition, the Organizer is obligated to immediately advise **IFBB ELITE PRO** of this fact and will refrain from entering into any unilateral negotiations with any television and/or video agency without the expressed prior approval of **IFBB ELITE PRO**. **IFBB ELITE PRO** has "first rights" to any videotape of the event and, upon demand, the Organizer will immediately forward to **IFBB ELITE PRO** a first copy of the videotape for use as **IFBB ELITE PRO** deems appropriate.

Article 10 - Prejudging and Finals Venue Requirements

10.1 General:

All IFBB Elite Pro Competitions will take place, whenever possible, in a complete theatre-like venue with an appropriately sized stage, professional lighting and sound, and tiered seating. The Organizer must pay special attention to the following critical requirements:

10.1.1 Staging:

The judging should be held on a raised stage with an optimum height of 80-100 cm, 16-24 m width and 6-8 m depth. If the venue has a large, flat seating area without tiered seats, the stage must be at an optimum height of 1.0 meter. If the stage is higher than that, the seats for the judges must also be raised so as to give them a full view of the competitors. The top of the stage should be covered by a plain grey carpet and the front and sides by cloth, paneling or paint.

10.1.2 Background:

The stage background should be of a neutral, non-distracting color, preferably dark blue or black and matt. The **IFBB** logo, **IFBB ELITE PRO** logo, **IFBB ELITE PRO** official sponsors' logos and the name of the event shall be displayed on it. The logo of the Organizer may also be displayed in this area; however, neither should be placed in such a position as to distract the view of the judges or photographers. The Organizer must not allow signage and/or banners to be displayed in this area, however, said signage and/or banners may be hung from the top front of the stage, on either or both front sides of the stage, along the front of the posing plinth, or along the front edge of the stage, and/or in any other area that does not interfere with the judge's and photographer's view of the competitors.

10.1.3 Sound:

The sound system will be of such quality to ensure that the competitor's music is reproduced in the best professional manner. The Organizer will also be responsible for ensuring that each competitor's music starts exactly where it should and on cue.

Where possible, the sound system controls/soundman should be located at the backstage on the same side where the competitors enter, normally stage left (when viewed from the front). Microphones must be provided for the **IFBB ELITE PRO** Chief Judge, the Master of Ceremonies, and the onstage Expeditor (preferably hands-free).

10.1.4 Lighting:

The stage will be provided with one universal lighting system, evenly illuminating the whole stage. If this is impossible, two basic lighting set-ups are required. The first is needed to illuminate the complete line-up of all the competitors when they are first brought before the

judges. The second must be focused on the central area of the stage (10 m wide, from the front of the stage to the back wall) for the individual posing routines, comparisons, pose down and awarding ceremony. It is important to avoid the shadowed area on the stage. The average luminance on the stage should be at the level of 4500 – 5000 lux.

10.1.5 Seating:

The Organizer must ensure that all judges and spectators are afforded a clear and unobstructed full-figure view of all the competitors who stand onstage. Judges and statisticians must be seated away from the spectators. Photographers and television and/or video personnel must not be allowed to obstruct the view of the judges.

10.1.6 Master of Ceremonies:

For this reason, the MC should have a background in public speaking, or be comfortable in his or her role as “moderator” in front of an audience and must be adept at handling impromptu situations. The MC should have a speaker’s rostrum with a microphone, situated at the side of the stage from which the competitors enter.

10.1.7 Competitor Warm-up Area:

The Organizer will provide dressing rooms and washrooms/showers for the competitors. Next to the dressing room area, and adjacent to the stage, there should be an area where the Expeditors may assemble the competitors prior to leading them onto the stage. In the marshalling area, the Organizer will also provide an adequate amount of equipment for the competitors to warm up with before performing. There should be barbells of varying weights, several pairs of dumbbells of varying weights, adjustable benches, etc. Also, a couple of mirrors are needed, especially at the women’s competitions and a lot of paper towels plus waste-paper baskets.

10.1.8 Inspection:

The **IFBB ELITE PRO** Chief Judge should inspect the competition venue site prior to the commencement of Prejudging, for the purpose of ascertaining the readiness of the facility.

10.1.9 Communications:

The Organizer will be responsible for supplying enough communications equipment (i.e.: headsets/micas, walkie-talkies) for use by the backstage Expeditors.

10.1.10 Office/Photocopier:

The Organizer will be responsible for providing a complete office with computer/printer and photocopier with additional toner kept in reserve for use by **IFBB ELITE PRO** throughout the duration of the IFBB Elite Pro Competition.

10.1.11 Water:

The Organizer will provide enough quantities of still (no gas) water for its consumption at backstage by the expeditors and athletes.

10.1.12 Medical Emergency:

The Organizer will ensure that medical personnel and emergency transportation is made available for use throughout the entire duration of the Prejudging and Finals.

10.1.13 Backstage Access/Dressing Room Access:

Access to the backstage area/dressing room area is strictly limited to essential personnel only. There will be no admittance given to spouses, boyfriends, girlfriends, family members or any other athletes' relatives. Coaches and trainers who assist athletes in the dressing room area must be of the same sex as the athlete they are assisting. Under no circumstances will a coach, trainer, or any other individual be permitted in the dressing room area to assist any competitor of the opposite sex.

Using his microphone and following the order of competition, the **IFBB ELITE PRO** Chief Judge will give commands to competitors on the stage, will direct the comparisons and will control the procedure on the stage.

14.4 **IFBB ELITE PRO** Stage Director

The **IFBB ELITE PRO** Stage Director should be nominated by the **IFBB ELITE PRO** Chief Judge from among the most experienced judges available at the competition. He will assist the **IFBB ELITE PRO** Chief Judge in directing and controlling the activity on the stage.

14.5 Judges Secretary

The **IFBB ELITE PRO** Judges Secretary will coordinate the work of the panel judges, will distribute and collect judges score sheets and forms in each round and will cooperate with the statisticians. During the Prejudging and Finals, the Judges Secretary, together with the **IFBB ELITE PRO** Chief Judge, will scrutinize the marks for the purpose of determining their accuracy. If any judge has awarded marks that are greatly at variance with those of the other judges, the Chief Judge may question that judge for an explanation of his or her marks. The **IFBB ELITE PRO** Chief Judge has authority to remove from the panel any judge who is unfairly biased or incompetent, or who engages in misconduct or unacceptable behaviour.

14.6 Placement of Judges:

The placement of judges will proceed as follows:

14.6.1 The Judges Secretary will seat the judges at their respective tables, which will be located at the front center of the stage and will then seat the two statisticians at their tables, which will be located at the end of the row of judge's tables nearest to the Master of Ceremonies.

14.6.2 Each judge's position on the panel will be numbered using a small card (black numbers on a white background) situated at the front of the judge's table. The numbers will be printed on both sides of the card so as to be viewed by the competitors and the judges. The regular panel judges will be seated so as to have the best view of the athletes; alternate judges shall be seated at one end of the regular panel.

14.7 Conduct of Judges:

Once the judging panel is seated, the Judges Secretary will remind the judges of the rules of conduct, said rules which must be strictly followed throughout the Prejudging and Finals. Under penalty of immediate dismissal from the judging panel, no judge will:

1. Converse with any other judge, or judges.
2. Attempt to influence the decisions of any other judge, or judges.
3. Take photographs while the judging is in progress.
4. Coach any competitor.
5. Judge while under the influence of drugs or alcohol or consume alcoholic beverages while judging.

14.8 Statisticians:

The Judges Secretary will ensure that the statisticians are seated, preferably on the same side of the stage as the Master of Ceremonies, and that they are in possession of the appropriate Statistician's Score Sheets or laptop with the **IFBB ELITE PRO** approved software to make the necessary calculations.

The statistician's score sheets, and the competitor's scores must be kept strictly confidential and are known only to the statisticians, the **IFBB ELITE PRO** Chief Judge, and the Judges Secretary who are obligated not to divulge any score, or scores, to any competitor, judge, other official, administrator, organizer, or member of the **IFBB ELITE PRO** Executive Council, except the President.

14.9 Refreshments:

The Organizer is responsible for ensuring that liquid refreshments (e.g., water) are made available to each judge throughout the Prejudging and Finals.

Article 15 – IFBB Elite Pro Competition Procedures (general concept)

15.1 The procedures of the IFBB Elite Pro Competitions are as follows:

15.1.1 Prejudging: Eliminations Round

When there are more than 15 athletes competing in a category, an elimination round will usually be held for the purpose of reducing the number to 15. The **IFBB ELITE PRO** Chief Judge decides if the Elimination Round will be necessary. The judges will select the top 15 by placing an "X" beside their numbers, using Form 1, entitled "Elimination Round (Judges)".

Using Form 2, entitled "Elimination Round (Statisticians)", the statisticians will transcribe the judge's selections onto this sheet and will then tally the judge's scores to select the top 15 competitors.

If there is a tie between two or more athletes at the 15th place, the tied athletes will be brought back onstage, and will once again be called on stage for the purpose of breaking the tie. Only the top 15 competitors will advance to Round 1.

The details of Elimination Round for each **IFBB ELITE PRO** sports discipline are provided in a Section of rules for this discipline.

15.1.2 Prejudging: Semifinals

Semifinals (Round 1) will immediately follow the Elimination Round. Only the top 15 athletes may compete in Semifinals. Semifinals round(s) may not be held if there are 6 or less competitors in a category. Decision will be made by the Chief Judge and will be announced after the Official Athlete Registration.

Using Form 3, entitled "Judge's Individual Placings (Prejudging)", each judge will award each competitor an individual placing from 1 to 15, ensuring that no two or more competitors receive the same placing. The judges may use Form 4, entitled "Judge's

Personal Notes” to record their assessment about each competitor. The scores for the Semifinals will be used to place the top 15 competitors from 1st place to 15th place. The top 6 competitors from the Semifinals will advance to the Finals. The top 6 finalists may be announced after the Prejudging and before the Finals. The details of Semifinals for each **IFBB ELITE PRO** sports discipline are provided in a Section of rules for this discipline.

15.1.3 Finals

Only the top 5/6 athletes from the Semifinals will take part in the Finals. They will start the Finals with zero points. Each judge will award each competitor an individual placing from 1st to 5th/6th, ensuring that no two or more competitors receive the same placing. The statisticians will transcribe each judge’s placings onto Form 5, entitled “Score Sheet (Statisticians)”, under the Finals section. At the end of the Finals, the “FINAL SCORE” will be produced. Points from the Prejudging (Round 1 and Round 2) are not taken into consideration in the Finals. Each competitor begins the Finals with “zero points”. The competitor with the lowest “FINAL SCORE” is awarded 1st place while the competitor with the highest “FINAL SCORE” is awarded 5th/6th place.

The details of the Finals for each **IFBB ELITE PRO** sports discipline are provided in a Section of rules for this discipline.

Article 16 – Awarding Ceremony

16.1 Procedures:

The Awarding Ceremony will normally proceed as follows:

1. The top 5/6 finalists will be called onstage to take part in the awarding ceremony.

The Master of Ceremonies, using Form 7, entitled “Top 5/6 Finalists (for MC)”, will announce the number, name and country of the competitor in 6th place and that competitor will stand to the left side (when viewed from the front) of the victory pedestal and shall receive his or her award. The Master of Ceremonies will then announce the number, name and country of the competitor in 5th place and that competitor will stand to the right side of the victory pedestal and shall receive his or her award. The Master of Ceremonies will then announce the number, name and country of the competitor in 4th place and that competitor will stand to the left side of the victory pedestal and will receive his or her award. The Master of Ceremonies will continue to announce the results from 3rd, 2nd and finally, the winner.

If the victory pedestal is not used, competitors are placed in the center of the stage, on both sides of the center cross or point.

2. The President of the **IFBB ELITE PRO**, or his representative, will present the official **IFBB ELITE PRO** competitor’s Gold Medal to the 1st-place competitor, the official **IFBB ELITE PRO** competitor’s Silver Medal to the 2nd place competitor, and the official **IFBB ELITE PRO** competitor’s Bronze Medal to the 3rd place competitor. The official **IFBB ELITE PRO** medals are mandatory prizes at all IFBB Elite Pro Competitions. In addition, the Organizer must provide six trophies for the five/six finalists, said trophies which will also be presented by the President, or his representative, as each place winner is called to the victory pedestal. The Organizer will also supply Certificates of Excellence to be presented to the 5th/6th to 1st place finalists.

3. The finalists are obliged to remain onstage for a brief period for photographic purposes, and to follow the **IFBB ELITE PRO** Chief Judge or Stage Director commands.

Four separate photographs are needed:

- top 5/6 (finalists) with officials,
- top 5/6 (finalists) alone
- top 3 (medal winners) and
- the winner

4. Competitors are expected to accept the Official Results of the competition and their places, medals and/or awards and to take part in the Awarding Ceremony to its end (photo session). Competitor, who ostentatiously manifests his/her disapproval and/or leave the stage prior to the end of the Awarding Ceremony, may be disqualified.

Article 17 - Cash Awards

The Organiser of an IFBB Elite Pro Competition shall provide prize money to all finalist of the category. The amount will have to be agreed before the event and added to the contract.

Article 18 - Rules and Regulations

It is athlete responsibility to obtain an entry visa for the country organizing the championship. All the athletes may ask for an Invitation Letter either to the Championship Organizer or the **IFBB ELITE PRO Head Office**. The invitation letter does not mean the athlete is granted his or her visa. Neither the **IFBB ELITE PRO** nor the Championship organizer are responsible for obtaining the required athletes' and other attendants' visas.

To receive the invitation letter, the applicant should forward to the **IFBB ELITE PRO** or Championship organizer a copy (scan) of his/her passport. If the visa is not granted, the Cancellation Policies for the championship will still apply.

An athlete, who request and receive an invitation from the **IFBB ELITE PRO** Head Office or the Organizing Committee of an **IFBB ELITE PRO** sanctioned event for visa purposes, and uses that visa to unlawfully stay in the host country or any other country, will be subjected to the disciplinary proceedings and measures.

The athlete is responsible to carefully control the proper, legal use of the visa by his/her athlete and it will be subjected to a fine and/or a suspension, in case of any misuse and/or unlawful utilization of the same visa.
